Dear Clients,

Thank you for your patience and understanding during the past several years as we searched for a second doctor to assist with the daily operations of Lake Brandt Veterinary Hospital. With the addition of Dr. Ashley Kimery in May, the hospital is now open five (5) days a week from 7:00 a.m. to 6:00 p.m. Yes, this means that we are **open on Wednesdays!**

Now with two doctors on staff, we are here to promptly care for your pet and assist you in any way possible. As a privately owned and operated veterinary hospital, we will continue to offer your pet the care and compassion that you and they deserve.

We are also accepting new clients and hope you will help us by spreading the word. In doing so, you will receive a 25% discount on your next Annual Exam. The **NEW** referral must tell us, at the time of their visit, who referred them to our practice. We will then contact you to thank you and provide details for your discount. ***(The bonus discount must be used within 12 months from referral and is good only toward the exam...not vaccinations).***

We want to thank you once again for your patience and understanding; and, look forward to seeing you at Lake Brandt Veterinary Hospital.

Sincerely,

Dr. Jim Lofgren
